If you are admitted to OB/OU-INARCH1 v2 Bachelor of Applied Science (Interior Architecture) and have completed <u>200 CP subjects or more</u>, please continue in the existing course by following the subject replacement guide in the tables below.

Table 1: Replacement Subjects

If you **have not successfully completed** the old subject (Table 1A), you **should enrol** into the **new subject** (Table 1B) instead.

IMPORTANT: *The Final Delivery in Table 1A is the last time the subject will be offered. If you have not successfully completed these subjects before the final delivery, you will need to enrol in the corresponding subject from Table 1B. The 'Available from' study period in Table 1B is the first time the subject will be offered from 2024 onwards.*
